- 
- The diagram illustrates the construction of a 16x16 grid. It shows three rows of 16x8 grids at the top, followed by a gap, and then three rows of 8x8 grids at the bottom. Each 16x8 grid is composed of two 8x8 grids side-by-side. The 8x8 grids are represented by blue outlines. The rows are separated by black dots, indicating a sequence of steps or components.
